Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of these financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Committee for the Tel Aviv Foundation, Inc. as of December 31, 2013 and 2012, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

Years Ended December 31, 2013 and 2012

1. Organization and Nature of Activities

American Committee for the Tel Aviv Foundation, Inc. (the “Organization”) is a not-for-profit organization that provides humanitarian, charitable assistance and overall improvement of quality of life to the residents of Tel Aviv-Jaffa, Israel. Support is provided to daycare centers, cultural and educational institutions, sport centers and medical facilities located throughout the city but mostly in disadvantaged areas.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with principles generally accepted in the United States of America. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with original maturities of three months or less when purchased to be cash equivalents.

The Organization maintains cash in one bank which, at times, may exceed federally-insured limits. The Organization has not experienced any losses in such accounts.

Pledges and Grants Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Property and Equipment

Property and equipment are stated at cost. Depreciation of furniture and fixtures and equipment is provided using the straight-line method over the estimated useful lives of the related asset.

Support and Revenues

The Organization reports gifts of cash and other assets as considered to be available for unrestricted use unless received with donor stipulations designating them for future periods or that limit the use of the donated assets. Assets with donor stipulations are recorded as temporarily restricted. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
